**Junior Cycle Information for Parents of Post-Primary Students**

The Department of Education and Skills wishes to inform the authorities of schools and ETBs that, in the context of Junior Cycle reform a leaflet has been prepared for information.

The new Junior Cycle will place the student at the centre of the learning process. It allows for new ways of learning and a broader range of skills to be properly assessed. This leaflet aims to inform parents of post-primary school students about the key changes underway.

Please bring this leaflet to the attention of the board of management, principal and teaching staff of your school. Please also provide a copy of this circular to the appropriate parents' representatives.
